Let's make new rainbow crayons from old broken ones. We can make new beautiful art with them!

You need: old crayons, muffin cups and a muffin tin.

Ask an adult to turn on the oven to 200 F. Always be careful around a hot oven!

Peel all the wrappers off all the crayons. You can break them into smaller pieces if you want.
Melt them in the oven 20 min at 200 degrees F.

Put the muffin cups in the tin and fill them HALF WAY with crayons.

Let them cool then pop them out of the tin. They are ready to use!

Now you can make all kinds of fun art with your rainbow crayons!
